OUR DELEGATION

COMPOSITION OF SELECTED DELEGATES

*DISTRICT-LEVEL DELEGATE APPORTIONMENT

District-level delegate positions will be allocated to presidential preferences through a proportional representation system based on the results of the Massachusetts Democratic Primary on March 5, 2024. Delegates will be equally divided between male and female seats, though the state party has created provisions for gender non-binary candidates, who are welcome and encouraged to run.

Massachusetts district-level delegates and alternates are apportioned among the congressional districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2020 presidential and the most recent 2022 gubernatorial elections.
